Antares Technology LLC ("we", "our", or "us") values your privacy. This policy explains what data we collect and how we use it in connection with our mobile app: the **MLO Study 2025 (“App”)**.

This app is designed to help users prepare for the **NMLS SAFE Mortgage Loan Originator (MLO) exam**, offering over 1,000 practice questions through **Learn Mode** and **Exam Mode** for an improved study experience.

Information We Collect

We do **not collect any personally identifiable information (PII)** such as name, email address, or phone number.

The app uses the following data for functionality and performance monitoring:

- **Backend Query Logs:**
When the app interacts with our backend services, we log the following:
 - Firebase Anonymous **User ID (UID)**
 - **Which API endpoint was called**
 - **Timestamp** of the request

This data is used strictly for maintaining app performance, monitoring usage, and debugging. It is **not used to personally identify users**.

We use **Google Firebase** for authentication and backend services. You can review Firebase's privacy policy here:

We do **not** sell, rent, or share your data with third parties for advertising or marketing.
